

District 4621

The District 4621 was created when Districts 4310 and 4620 merged, in 2019. It is located in Brazil, in the middle of São Paulo state, the most developed in the country. It is the second largest economy of South America. World leader of sugar production, ethanol and Orange juice, this state capacitates and export the most qualified people in the country. We have modern airports and roads, and big highlights are sciences, technology, innovation and the highest Human Development Index of Brazil.

The district comprehends 99 Rotary Clubs, Rotaracts and Interacts, with over 2.200 Rotarians and a population of almost 5 million people, with great cultural patrimony, different attractions, wonderful nature are big highpoints.

We offer Exchange programs of short and long term and New Generation Services. The district is certified by Rotary International Youth Exchange Program.

We have different opportunities of exchange experience, such as: **Professional, academic, cultural and volunteer work.** If you are interested, please contact us:
